**NCCSPA
SHARX 2008 VACATION FORM**

This season each swimmer will be required to sign up to swim each week for Wednesday and Saturday meets. If the swimmer does not sign up they **will not** be able to swim any events at that meet. The swimmers will also need to post their availability to swim in relay carnivals.

The coaches will select the swimmers for Saturday meets based on times **and** availability. This policy will avoid swimming empty lanes at Saturday meets and allow us to automate our Wednesday meets.

Please identify below any dates you know your child will be unavailable, recognizing that each week your child should still complete the positive check-in sheet indicating that they are available to swim that week.

**NCCSPA
PARENT VOLUNTEER COMMITMENT**

The NCC Swim Team cannot function without parent support. It takes 30 volunteers to run a home swim meet and almost as many to help out at an away meet. In order to make the swim season a success for our children, we require each family to volunteer for at least 8 activities during the season. Keep in mind that many of our families have a volunteer or two at every swim meet – some teams even require this. For those unable to work at meets due to schedule conflicts or small children to watch, there are a number of volunteer opportunities that can be completed at other times. Please complete the volunteer sign up sheet on the back of this form!

We also expect each family to donate food (milk, watermelon, brownies, muffins, etc.) to at least two home swim meets. Alternatively, contribute \$10 to the Shark Bite Café.

While we need each and every family to participate, we understand that occasionally extenuating circumstances may prevent you from helping. If you feel you fall into this category, please speak to one of the team reps.

* * * * *

We, the parents of swimmer(s) _____, agree to support the NCC Sharx by volunteering for at least 8 activities and providing food donations to at least 2 home meets (or enclose a check for \$10 in lieu of donations).
